Welcome to Bristol Dojo Gym, we are a full time professional combat sports gym established in Bristol in 1995. Please take the time to read and understand the requirements for training here. More information can be found on our website www.bristoldojo.com and on our Facebook group page. If you have any further questions please ask.

HYGENE – keeping the Dojo clean and germ free is one of our top priorities so please bring flip flops or similar to every session and ensure you don't walk barefoot when off the matted areas especially the toilets. Keep nails short and clean, long hair tied back and clean training wear.

NO OUTDOOR FOOTWEAR ON THE MATS AT ANYTIME PLEASE.

FREE TASTER SESSION – We are strictly a members only gym so its important that you try a class free of charge before joining as we want you to experience the content of the session to ensure you are happy to commit to training here. After your free taster session you will be required to join as a member if you wish to train here again. To join our gym please fill in **all sections** of the attached Membership Application Form, sign, date and return to reception where you will be given a membership card to present at every session. Several discounted membership options are available, ask for details if you are not sure which is best for you.
